Canon. 16. Sec. XII. Praying God to bless you,

W. B. W. HOWE,

*Bishop Diocese South Carolina.*

RT. REV. C C. PINCKNEY, D. D.

On motion of Rev. Dr. Porter, the Rules of Order were suspended for the purpose, and the following preamble and resolutions offered by Mr. E. McCrady, Jr.

Upon hearing the announcement just made by the President of the Standing Committee of the condition of the health of the revered and beloved Bishop of the Diocese, whereby this Convention is deprived of his presence, and the Diocese, though but for the time we trust, of his fatherly care and godly supervision. We, the members of this Convention, Clergy and Laity, hasten to offer to our Right Reverend Father our deepest sympathy in his affliction, and to assure him of our most anxious concern for his recovery.

*Resolved* Therefore, by the Clergy and Laity assembled in this Convention, that we tender to the Bishop the assurance of the most affectionate and reverential esteem of the Diocese and the sincerest desire and hope that in God's providence he may be spared to his flock.

*Resolved*, That we commend our Right Reverend Father to the prayers of his people, that God the father of all mercies and of all comfort may look down from Heaven, behold, visit and relieve him, and in His good time restore him to his Diocese in health, and enable him to lead the residue of his life to the glory of God and the welfare of the Church.

*Resolved*, That though we shall miss indeed his ministrations,

yet this Convention is gratified to learn that the Bishop has laid aside his work for the present, and in the name, and in behalf of the Diocese at large, we entreat him to rest from his labors until his health shall have been entirely restored.

*Resolved*, That the President of this Convention do communicate these Resolutions to the Bishop, with the expression of the deep and sincere feeling of this body in adopting them.

On motion these resolutions were unanimously adopted, by a rising vote. The Chair appointed the Committee on the Roll of the Clergy to consist of Rev. A. T. Porter, D. D., Rev. B. Allston, Rev. E. C. Logan; and on the Credentials of Deputies, Messrs. E. McCrady, Jr., R. J. LaRoche, and S. G. Godfrey.

The Secretary read the Rules of Order.

On motion of Rev. Dr. Porter, the Rev. Mr. Partidge, Missionary to China, was invited to a seat in the Convention, and the same was extended to Rev. McNeely DuBose, of N. C., and Rev. Mr. Degen of this Diocese.

On motion, the ballot was dispensed with, and Rev. J. D. McCollough re-elected Secretary, *viva voce*; and in like manner, Mr. F. A. Mitchell was re-elected Treasurer.

The Secretary appointed Rev. J. G. Glass Assistant Secretary.

The President appointed the Standing Committees, as follows :

1st *On Admission of New Parishes*.—Rev. W. H. Hanckel Messrs. J. B. Kershaw and J. E. LaRoche.

2d *On the Constitution and Canons*.—Rev. J. D. McCollough, Rev. E. Capers, D. D., Rev. John Kershaw, Mr. E. McCrady, Jr., Mr. Jas. Aldrich.

3d *On the State of the Church*.—Rev. R. Wilson, D. D., Rev. E. C. Logan, Rev. E. C. Edgerton, Messrs. H. P. Archer, J. T. Frier-son and John. Jones

4th *On Unfinished Business*.—Rev. B. B. Sams, F. H. Weston, E. A. Bell

5th *On Finance*.—J. R. London, W. H. Prioleau, H. W. Frost.

He also appointed Rev. R. Wilson, D. D., preacher for the next Convention, and Rev. J. B. Williams, *Alternate*.

The Committee on Roll of the Clergy reported the Secretary's list and Classification correct, and called attention to the case of Clergymen who had not attended

Convention, nor reported to the Bishop for a number of years.

The Committee on Credentials presented the following report :

The Committee on Credentials of Deputies respectfully report that they have examined the Secretary's Roll and compared it with the respective certificates and with the Treasurer's list, and that we find the same to be correct.

The Committee would call the attention of the Convention to the custom of some churches in electing and returning a set of alternate delegates in addition to the four authorized by the Constitution. There is now no question of importance depending upon their action and only one such desiring a seat, to-wit: Mr. W. N. Tilinghast, from Zion Church, Richland, and in this case the Committee recommend that Mr. Tilinghast be allowed his seat. But the Committee thinks it well that this action should not be considered as establishing a precedent. The Constitution, Art. III. Sec. 10, provides that "Lay Deputies, not exceeding four in number, shall be elected by each Parish or Congregation, in union with this Convention, from among the members thereof to represent it in the Convention " This provision does not seem to authorize the election of Alternates. It may be that it would be better if there was such a provision in the Constitution, but as there is not, the Committee does not think the election of such is authorized.

Under Canon V. the Committee reports that the following Parishes have failed to make the report required or to pay an assessment made by this Convention, and are therefore to be considered as dormant—to-wit :

St. Michael's Church, Charleston ; St. Matthew's Parish, St. Paul's, Radcliffeboro ; Church of the Messiah, N. Santee ; Christ Church, Mars Bluff.

The cases referred to by both these Committees were, on motion, referred to the Committee on The Constitution and Canons.

The Standing Committee presented their Annual Communication. [See Appendix II.]

On motion of Rev. Mr. Stoney, it was resolved that the sessions of this body, after to-day, be from 10 A. M., to 2 o'clock, a recess being taken from 2 to 5 o'clock, P. M.

The Trustees of the Diocese presented their Annual Report. [See Appendix III.]

The Treasurers of the Episcopal Fund and of the Convention, severally presented their reports, which, on motion, were referred to the Committee on Finance.

On motion, after prayer by the President, the Convention adjourned, to meet to-morrow at 10 o'clock, A. M.

JNO. D. MCCOLLOUGH, *Secretary*.

## SECOND DAY.

THURSDAY, May 12th, A. D., 1892.

The Convention met pursuant to adjournment.

Morning prayer was said by Rev. Messrs. Bratton and Cornish.

The Convention was called to order by the President, and the minutes of yesterday read, corrected and approved.

Names of members absent yesterday were called, and Rev. Messrs. Duryea, W. A. Guerry, Joyner, Porcher and R. Wilson, D. D., of the Clergy, were present, and of the Laity, Mr. Reynolds.

Credentials of Deputies from St. Mark's, Clarendon, were presented and approved, and the names of the Deputies called, and Messrs. Richardson and Manning were present.

The recommendation of the Committee on Credentials, admitting Mr. W. N. Tillinghast to the Convention, was adopted, and Mr. Tillinghast took his seat.

The Convention went into the.

## MISSIONARY SESSION.

The Rev. Dr. Capers presented and read the Annual Report of the Board of Missions. [See Appendix IV. A.

Rev. Dr. Porter offered the following :

*Resolved*, That the Report of the Secretary of the Board of Missions, with the reports of the Missionaries, be printed on special sheets and sent to each Parish, with the request that they be distributed and read by the Rectors and Ministers in charge, in order that the Church may be informed of the Mission work which is being done in this Diocese ; and that this resolution be referred to the Secretaries of the Convention, and of the Board of Missions, to carry it into effect.

The resolution was adopted.

Rev. E. N. Joyner offered the following :

*Resolved*, That Canon XIII be amended so as to include the following: Sec IX. At each annual Missionary Session of the Convention, the Deans of the three Convocation Districts shall render a report of the condition, progress and needs of their Districts.

On motion, this resolution was referred to the Committee on the Constitution and Canons.

On motion of Rev. B. B. Sams :

*Resolved*, That the proposed changes in the Missionary Canons, and the entire Missionary system of this Diocese be referred to the Board of Missions, with instructions to consider the same, and report to the next Convention any changes which experience may have shown to be necessary or expedient for the furtherance of the Missionary work of the Diocese.

Rev. Dr. Porter offered the following preamble and Resolutions which were adopted :

The Rev. S. C. Partridge, Missionary to China, having by invitation addressed the Convention of the Diocese of South Carolina on the 11th instant, Be it.

*Resolved*, That the thanks of this Convention are hereby tendered to Mr. Partridge for his instructive, interesting and dignified presentation of the all important subject of Missions in general, and his lucid and eminently practical exposition of the conditions the Missionary encounters and the methods adopted in meeting them.

*Resolved*, That the Board of Missions of the P. E. Episcopal Church is doing effective work for the cause when it commends such agencies as the Rev. Mr. Partridge and then provides that he present the subject to the mind and heart of the Church.

*Resolved*, That we hope and believe the visit of Mr. Partridge to this Diocese will result in greatly increased interest in the subject of Missions in general.

*Resolved*, That the Secretary of this Convention be instructed to communicate these resolutions to the Board of Missions in New York.

On nomination of Rev. Mr. Stoney, Messrs. F. L. Frost, R. W. Shand and J. R. London were re-elected members of the Board of Missions.

On motion of Rev. Dr. Capers, Dr. Porter was asked to give information concerning his work of Christian Education, which he did.

The Missionary Session being ended, Mr. McCrady,

from Committee on Credentials of Deputies, reported the certificate from St. Stephen's Parish just presented, and the names of the Deputies were called. None present.

The election of the Standing Committee being in order, the Chair appointed Rev. Messrs. Hanckel and Edgerton Tellers of the vote of the Clergy, and Messrs. Prioleau and Weston of that of the Laity.

These reported, the former Committee re-elected in both orders viz:

Rev. C. C. Pinckney, D. D..	Mr. A. Markley Lee,
“ John Kershaw,	“ H. P. Archer,
“ John Johnson, D. D.	“ F. A. Mitchell,
“ A. T. Porter, D. D.	“ F. L. Frost, M. D.
“ Rev. R. Wilson, D. D..	“ E. McCrady, Jr.

The election of Deputies to the General Convention being next in order, Rev. Messrs. Allston and Sams were appointed Tellers of the vote of the Clergy, and Messrs. London and Mitchell of that of the Laity. During the count of the vote, the Trustees of the University of the South presented their report. [See Appendix V.]

The Committee on the admission of New Parishes reported as follows :

#### REPORT OF THE COMMITTEE ON ADMISSION OF PARISHES.

St. Philips, Bradford Springs, for some time on the list of Dormant Parishes, having applied for re-admission to union with the Convention, but being unable to pay its dues.

*Resolved*, That the Convention dues, and dues to the Episcopal Fund, in case of St. Philips, Bradford Springs, be cancelled, and the Church re-instated

Being too late in the session to effect the desired change under the rule, the resolution was entered upon the Journal for consideration at the next Convention.

Rev. Mr. Joyner, from the Committee appointed to prepare it presented the following:

Your Committee appointed to prepare a memorial of the Rev Thos. F. Gadsden beg leave to report the following:

Since we last met together in Convention the Father of all has called to his eternal rest our beloved brother the Rev Thomas Fisher Gadsden. To recall Mr. Gadsden's life and attributes is to bring to mind, as far as any man can, our Holy Lord's description of a saint. "Behold an Israelite indeed, in whom there is no guile," and His Beatitude of all Saints. "Blessed are the meek for they shall inherit the earth." His Bishop who knew him for a lifetime may well have said of him, "he had the whitest soul of any man I ever knew." The example of such a man is as a shining light and his memory an inspiration.

This parish together with the parish of Middle St. John's have united to call a Clergyman but both parishes are in a very depressed condition financially, owing to a succession of poor crops.
- July 16. Spent a large part of the day in visiting my old parishioners and renewing former associations. The congregation is much reduced and the parish church, "Biggin," a colonial church, in ruins, with but four walls standing a memorial of other days. It was here I preached my first sermon in 1847. As I stood within the ruins and saw the neglected and forgotten grass near by, the line of the hymn came to me very forcibly.

Change and decay on all around I see,  
O Thou who changest not abide with me.

Offerings at Cordesville for candidates for orders.

- July 29. Left Saluda to attend a meeting of the Board of Trustees, of the University of the South, and remained in attendance for one week. The University is growing in estimation as information becomes extended. Its chief need is endowment which will probably come in time. Possibly its roots will strike deeper because it has thus far had to contend with want of endowment. Few, if any visit Sewanee and fail to be struck with the opportunities for good that are before it. It is probably good for Universities as for men to bear the yoke in their youth.

Mr. Nelson resigned the charge of the Church in Yorkville in July, and the congregation is at present without the services of a Clergyman. - October 23. St. Stephen's, Ridgeway. At morning prayer by the Missionary, Mr. Sweeny, I preached and confirmed one person and celebrated Holy Communion. I remark here that the area of Mr. Sweeny's field ought to be diminished if possible. His field comprises the Churches of Rock Hill, Lancaster, Winnsboro and Ridgeway. Rev. Mr. Allston going to Chester from

Union. All the churches with the exception of Rock Hill can give very little towards the support of a Missionary. Our Church people are few and have small money ability. I believe they do for themselves and the Board of Missions as much as most congregations in proportion to means and numbers. The burden of the Missionary's support is borne and must be borne by our Diocesan Board of Missions to a large extent. Rock Hill gives \$300, Lancaster \$75, Winnsboro \$75, Ridgeway \$100, and an important portion of this goes in travelling expenses. But for the aid given to these Churches by the Board of Missions it would be impossible to carry on even the present ineffective work.

October 23. Met in Columbia the Diocesan Board of Missions.

October 25. Sunday. Church in Union. At Morning Prayer by the Rector, Rev. Mr. Allston. I preached and confirmed three candidates and celebrated Holy Communion. At night of the same day and in same church, preached.

October 26. With Rev. Mr. Allston rode out a few miles to the county poor-house for a brief service, and confirmed four candidates, and addressed them, and administered Holy Communion. Mr. Allston's interest in these people is worthy of all praise. I add a word just there by way of suggestion: Two gentlemen of Ridgeway in the past season ploughed, fertilized and planted a piece of church ground in cotton and will consign a bag of cotton to the Bishop in aid of the Board of Missions.

November 1. All Saint's Day. Preached at St. Philip's Church, Charleston, and celebrated Holy Communion.

November 3. Gave Holy Communion in private to an invalid.

November 8. St. Luke's, Newberry. Rev. Mr. Hanckel said Morning Prayer and I preached and celebrated Holy Communion. At Evening Prayer preached

November 9. Church at Laurens, Rev. Messrs. Hanckel and Logan said evening prayer and I preached. The church building here needs repair, but the handful of church-people cannot possibly meet the expense. The lot on which the Church stands is on the principal street of the town and would bring a good sum if sold. My advice is for the trustees of the Diocese to give permission to sell, and to get a more retired church lot, and put up a neat church building which would be modern in taste, and indicate that it was intended for the wor-

ship of Almighty God. If this could be done with the money arising from the sale of the old church lot, I think the prospects of the congregation at Laurens would improve.

- November 11. From Laurens, and in company with Rev. Messrs. McCollough and Hanckel went to Willington to attend the ordination of Rev. O. T. Porcher, to the Priesthood. Present of the clergy, Rev. Messrs. Hanckel, McCollough, Gadsden, and Allston. Rev. Mr. McCollough preached the sermon and all the Clergy present united with the Bishop at the ordination in laying on of hands. Rev. Mr. Porcher; now ordained to the Priesthood will give two Sundays in each month to Pendleton, and to the church at Willington, living at Pendleton. Offerings for theological education, \$4.75.
- November 13. Anderson. At Morning Prayer by Rev. Mr. Gadsden, I preached and celebrated Holy Communion. At night also preached. The new church has not yet been begun owing to the "hard times," but the Vestry think that there is only a short eclipse. Mr. Gadsden will, I hope, serve the church at Anderson hereafter for three Sundays in the month, giving the fourth and fifth Sundays in the months to Missionary work. Offerings at Anderson for Theological Education \$10.25.
- November 15. Church at Pendleton. Rev. Mr. Gadsden said Morning Prayer and I preached and celebrated Holy Communion and baptised an infant. In same church at night preached and confirmed two persons. Rev. Mr. Porcher will hereafter, beginning with January 1st, 1892, take charge here and officiate two Sundays in each month. Offerings at Pendleton for Theological Education \$9.05.

November 29. Consecrated to the service of Almighty God a Chapel in Hampton County, South Carolina, by the name of Heavenly rest. Rev. Mr Sams read sentence of consecration, and Mr. Bellinger preached the sermon, and after sermon I confirmed one person and celebrated Holy Communion. The day was inclement but the congregation filled the newly consecrated building, which is quite neat and will afford accommodation to one hundred persons or more.

December 1 Received by telegram the svery sad intelligence of the death of Rev. Thomas F. Gadsden from pneumonia, at Anderson.

December 2. Left Charleston for Anderson. Was glad to meet there Rev Messrs. Logan, Joyner, and Porcher, with deputations from the neighboring Churches coming to pay the last tribute of respect to the faithful dead.

December 3. Grace Church, Anderson, was filled with a most sympathising assembly in honor of the faithful Priest who lay in the coffin robed in his surplice, and awaiting the Resurrection of the Dead. Even so, come Lord Jesus to us as to him.

December 4. Received notice from Waccamaw that Rev. L. F. Gue ry had arrived and had entered upon his work at All Saints Church, and upon the colored Mission work at Brook Green.

December 5. Assisted at the Church of the Holy Communion, Charleston, at the funeral of Mr. Evan Edwards, who was for many years the Treasurer of the Society for the Advancement of Christianity in South Carolina, and also of the Episcopal Fund. Faithful in the discharge of his important duties in behalf of the Diocese he now rests from work in the haven where he would be, and with the sincere regard of all who knew him and who will venerate his memory.

It is owing in chief to the zeal of the Lay Reader that this Chapel has been built in Darlington and finally consecrated to God's service May his blessing continue to rest upon the work. - March 7. St. Augustine's Mission, (colored.) Preached and confirmed three colored persons and celebrated Holy Communion.

- March 10. Assisted at a funeral in St. Philip's Church, Charleston.
- March 13. Statesburg, A. M. I preached and confirmed one person and celebrated Holy Communion, and in the

March 14. Received by request into this Diocese from the Ecclesiastical authority of Maryland Rev. Robert H. Germand, deacon; he being not a candidate for Priests Orders.

June 1 Received into this Diocese by letter, dimissory from Ecclesiastical authority of Pennsylvania, R. J. S. Bartzell, Presbyter; acceptance to date from June 1st. 1890.

1992.

January 1. Received at date by letter dimissory from Ecclesiastical authority of Arkansas Rev. L. F. Guerry, Presbyter.

March 20. Prince Frederick, Pedee, Sunday a. m. Rev. Mr. McQueen, of Georgetown, said Morning Prayer and I preached and confirmed one person and celebrated Holy Communion. At Evening Prayer in Plantersville I preached.

March 21. On Monday at St. Peter's Mission, I celebrated Holy Communion. A good congregation was present

March 22. At St. Cyprian's Chapel. A large congregation of colored persons being present, Rev. Mr. McQueen preached and I followed in a few remarks. The old Parish of Prince Frederick, Pedee, is at present without a settled Clergyman. Mr. McQueen gives a week-day service from Georgetown. My heart goes out to this old Parish and to its Parishioners. Successive loss of crops by floods has reduced the ability of the Parish to support a Minister. But we must do something, if only for a portion of the year to susiain the work. To this end, Vestry and Congregation will, I am sure work together.

March 24. At Brook Green Plantation, on the Waccamaw we have a Mission for the colored people. The weather was very stormy, but a good congregation came through the rain. I confirmed 37 colored people in this Chapel at Brook Green Rev. Mr. Guerry is the Missionary here and is very ably and heartiily supported by the families in the neighborhood We have here a day school, supported 9 months in the year for

the colored people, and a hospital under the care of the physician, and we hope soon to have a good teacher. By aiding the colored people, the Parish is also aided: for without the help of the Commission, All Saints could not retain the services of a resident Minister.

- March 25. At All Saints, Waccamaw. The Rector, Mr. Guerrey, and Mr. McQueen were both present and took part in the service. On this occasion I preached and confirmed two persons and celebrated Holy Communion. Under Mr. Guerrey, All Saints is equipped for service and will, I trust, go forward and prosper.
- March 27. Prince George Winyah. The Rector, Rev. Mr. McQueen said Morning Prayer together with Rev. Guerrey and I preached and confirmed three persons and celebrated Holy Communion. At night Rev. Mr. Guerrey preached.
- April 1st. At Exeter plantation in St. John's, Berkeley, held Divine Service and confirmed two persons and administered Holy Communion.
- April 3. At Strawberry Chapel in St. John's, Berkeley Said Morning Prayer, and preached and celebrated Holy Communion. This Parish is still without the services of a clergyman; as with many others on the seaboard. To maintain regular services two or more Parishes must needs unite.

## APPENDIX III.

## ANNUAL REPORT OF THE TRUSTEES OF THE DIOCESE.

*To the Right Reverend W. B. W. Howe, Bishop of the Diocese and to the Diocesan, Convention for the Diocese of South Carolina.*

The report of the Trustees of the Protestant Episcopal Church, in South Carolina.

Since the last annual report, the Trustees have the following matters of general interest to report to the Convention :

Martha Ann Barnwell has made a conveyance to the Trustees dated June 1891, and recorded in Book L. L., page 114, R. M. C. O. Lexington County, of one acre of land in Lexington County.

During the year an offer was made to the Trustees to purchase certain church property at Delamar's Cross Roads. This offer was made by parties connected with the Methodist Episcopal Church, who offered \$150.00 cash for the property. Upon inquiry, however, the Trustees ascertained that the property in question was the church building and glebe of old St. Paul's Church, Stono, and that it was worth very much more than this amount. In addition to the discrepancy in price, they were also animated by the further much higher motive, namely, their disinclination to sell Church property, above all property like this, which has been in the possession of the Church for nearly two hundred years, and around which, many associations cling.

Upon inquiry, it was also learned, that Mr. Henry A. M. Smith, of Charleston, who owns a large body of land in the immediate neighborhood of this Church, had become so much interested in it, that he was willing to agree to contribute as much as \$150.00 towards the re-

pairing and keeping in order of the Church, if the Trustees would refrain from selling the same.

The Trustees accordingly instructed their Secretary and Treasurer to arrange with Mr. Smith on this basis, so that the result of the inquiry into this old church property is, that so far from selling it out of the possession of the Diocese, it will be retained and improved. It is also proposed, if possible, to endeavor to accomplish some missionary work at this point next year, if the Trustees can make the necessary arrangements.

*Parsonage Property, Church of the Messiah, North Santee :*

This is about three acres of land and a house formerly used as a parsonage, in connection with the Church of the Messiah, North Santee. This Church has been burnt down and the parsonage is at present, unused, and the Vestry of the Parish desired to sell this property, which was rapidly going to decay, to the gentleman who had purchased the plantation immediately surrounding the same. An offer of \$1,000 was obtained from these parties, which amount is proposed to be invested as a nucleus, so that as soon as other amounts can be added to it, which are now being raised, a new Chapel can be erected for the Church of the Messiah, North Santee. Inasmuch as it was thought some interest had vested in the Board of Trustees, under the clause of its charter, vesting in it all dormant property in the Diocese, the Vestry of the Church of the Messiah requested the release by the Board of Trustees. This was granted by the latter, and executed, and the money will be held by the Vestry of the Church of the Messiah, until sufficient additional funds are accumulated to rebuild the Chapel. This it is hoped will be the case in the course of the next year, so that it is quite probable that this new Chapel will be an accomplished fact in the course of a very short time.

It will be recollected that the Trustees hold a bond and mortgage of the Converse College Company, for \$10-000.00, for the purchase money of the old Theological

Seminary, near Spartanburg. It will be recollected that the income from this, \$700.00, is appropriated by the Trustees to Theological purposes, \$500.00 of which, being sent as the quota of the Diocese to the Theological department of the University of the South, each year, and the remaining \$200.00 being sent to the Right Rev., the Bishop of South Carolina for assisting candidates for Holy Orders in this Diocese. This will all appear in the cash account of the Secretaræ and Treasury, which is appended to this report.

During the year the main building of the Converse College Company, was destroyed by fire, and inasmuch as all of the insurance policies, to the amount of \$40,000, have been made payable to the Trustees of the Diocese, it was necessary to arrange to get the permission of the Trustees to have these funds paid over to the Converse College Company, so that the rebuilding of the college could be accomplished.

The Trustees accordingly, by resolution, authorized this, taking the written agreement of the Converse College Company corporation to the effect that all of the Insurance money, with the exception of \$4,000.00, should be used for the purpose of reconstructing the building, and that as reconstructed and reinsured, the policies should be all taken out payable to the Trustees of the Diocese, as they had formerly been. The \$4,000.00, excepted, is to be used for repairing an annex to the main building. It will be thus seen that while the Trustees have of course co-operated with the Converse College Company, to enable them to rebuild, they have been careful to see that they are thoroughly protected in the matter. It may be also noticed that in the meantime, the Trustees now hold policies to the amount of twelve or fifteen thousand dollars, on the annex buildings, and that they also have a mortgage on the land, and in addition to all this, that they are dealing with a corporation composed of gentlemen of the highest respectability and honor, a number of whom are connected with the Church and this Convention.

*The Chapel of the Holy Cross, Sullivan's Island :*

The report of A. M. Lee, Wm. M. Bird and W. G. Mazyck, appended to this report, shows that the work of the Mission Station on Sullivan's Island is progressing quite favorably. The corner-stone of the new Chapel of the Holy Cross, was laid last September, and it is hoped that the building will be ready for services some time this Summer. It is constructed of granite, finished in native pine in the interior, and will present a churchly and beautiful appearance. The Board of Trustees last year appropriated some funds, among them a fund connected with the Island Church, towards the construction of this Chapel, and during the year have paid it out to the order of the Building Committee of the Chapel, as appears in the cash account of the Trustees hereto annexed. The building committee have, from time to time, made their report with regard to progress and in their recent report they fully stated the present condition of the Chapel, and also have shown the expenditures which they have made.

It appears from these reports that they have been diligent in their work and that the Church will in all probability, be soon finished.

In order to complete the Chrrch, the Building Committee obtained a loan from the American Church Building Fund Commission for \$1,000.00, and in order to secure this loan, proper legal steps either have been or will be taken, with the consent of the Board of Trustees, so that a mortgage can be executed to the American Church Building Fund ommission, for the \$1,000.00 loan and interest, and the property then re-conveyed at once to the Trustees of the Diocese. It is confidently believed that those connected with the Chapel on Sullivan's Island, can pay this \$1,000.00 as it becomes due, and that this very valuable and desirable church property costing nearly \$6,000.00 will be thus the property of the Trustees of the Diocese, and entirely paid for.

The Trustees believe that this Mission on Sullivan's

Island is of inestimable importance, and that it will be, not only a strong centre of work among Church people, but also among those not connected with our fold.

The Trustees append herewith the cash report of their Secretary and Treasurer, showing the receipts and disbursements for the year ending May 9th, 1892, which shows that they have a balance on hand of \$163.54, which is deposited and drawing interest in the Dime Savings Bank of Charleston, S. C.

In concluding their report, the Trustees believe that they are justified in thinking that the last year has been one of improvement and progress in the matters of the Diocese, immediately under their care, and that the outlook for the future is full of hope. All of which is respectfully submitted.

## REPORT OF BOARD OF MISSIONS.

In presenting its Fifteenth Annual Report it is gratifying to the Board of Missions to be able to assure the Convention that the reports of our Missionaries and the returns from the churches are encouraging, and show an improved condition in the Mission work, and an increase of interest throughout the Diocese.

In the First District the Church at Walhalla has been consecrated, and is now in the charge of the Rev. Mr. McCollough, who reports from his Parish at Glenn Springs, and the Missions at Gaffney, Blacksburg and Walhalla, faithful attendance upon the services of the Church, and a steady manifestation of interest. In visiting his work it is necessary for the Missionary to travel 7,560 miles annually. which he assures the Board gives him all the exercise he needs. It is worthy of note that the amount contributed to the Board from Glenn Springs represents \$5.00 for each communicant.

Mr. Logan, from *Laurens* and *Woodruff*; Mr. Allston, from *Chester*, and Mr. Sweeney from Rock Hill, report to the Board that the Mission work at these points has been satisfactory during the past year. At Chester and at Laurens the little flocks are earnest and faithful, and the Missionary commends them. Mr. Sweeney's work among the negroes and colored people at Rock Hill gives him much encouragement, and a mission at the Standard Oil Mill gives promise of success.

The Convocation of the First District met at Greenwood for the first time in its history, the Presbyterian Church being kindly put at its disposal. Arrangements were made for a regular service at Greenwood, and the Dean expresses the confident expectation of laying the

foundations of a Parish in this beautiful and growing town.

From the *Second District* the Board has reports from the Rev. Messrs. Williams, Tillinghast and Cornish. Mr. Williams reports the spiritual interests of his work at Orangeburg in a most encouraging way; remarks upon the increase of regular attendance upon the services of the church and a gratifying accession to the Holy Communion. At Barnwell and at St. Matthew's the churches have been repaired and improved, the little flocks are faithful and the Missionary is hopeful.

MR. TILLINGHAST reports improvements and additions to the Church at Eastman, and the Parsonage greatly improved.

MR. CORNISH, from his large and busy work, gives us a cheery view of his zealous labors, noting especially, that a neat little Chapel costing upwards of \$500, seating about 250 people, has been built at Blackville. the generous work of the few Church folks in that town.

*From the Third District* we have the reports of the Rev. Messrs. Sams, Prentiss and Glass. Mr. Sams has lost Communicants by death and removal, but he is greatly encouraged by a generous donation of \$1,000, by which a new church has been built in St. Peter's Mission and consecrated in November last, giving the Church people in that Mission, for the first time, their own House of Prayer.

MR. PRENTISS gives the Statistical report of his Parishes, without comment, and Mr. Glass reports favorably of the Mission of St. Barnabas, near Summerville.

MR. W. R. DEHON, assisted by faithful women of St. Paul's, Summerville, is doing good work in this Mission, and Mr. Glass acknowledges valuable aid to the Mission from the Woman's Auxiliary of Charleston and Baltimore.

The other Missionaries of the Board are the Rev. Messrs. Hanckel, Joyner, Mitchell, McDonald, Motte, Porcher, Stoney and Duryea.

The reports of these Clergymen have been sent to the Secretary of the Convention, but the Board records their active and devoted attention to the Mission work in their charge.

From the list of our Missionaries the name of one is missing, whose zealous and faithful labors have been reported to this Convention for the past 27 years. Our beloved Brother, the Rev. Thomas Fisher Gadsden, entered into rest on the 1st of December last, at his Rectory home in Anderson.

His departure, to be with Christ, and the saints in Paradise, is eternal gain to him, but it sorely bereaves the Church in the Diocese, and seems to us an irreparable loss to those Parishes and Missions to which he ministered with a consecrated spirit, and an unfaltering devotion. He was a man like St. Barnabas, "full of the Holy Ghost and of faith," and if ever a servant of the Master, deserved by His grace, the "well done" of His Church, surely it is our dear Brother Gadsden, over whose life and ministry rests that holy beatitude: "Blessed are the pure in heart, for they shall see God."

We herewith transcribe the Report of the Treasurer, and respectfully submit our report :

REPORT OF COMMITTEE ON STATE OF CHURCH.

---

The Committee has received reports from 44 Parishes and Missions, the statistics of which are all embodied in the Reports of other Committees. This fact, with the failure of Reports from some most important Parishes leaves this Committee only a small field and no possibility of accuracy in statistical information, beyond that submitted by the Board of Missions. From that Report this Committee draws great encouragement, not only in regard to the activity displayed by the Missionaries, but in the more general interest manifested in their support by Parochial contributions. The Committee would earnestly commend to the organized Parishes a more active and liberal response to the demands of this most important of our Diocesan obligations. The Committee notes with deepest regret the absence from its materials of the Bishop's address, and extends its heartiest sympathy to the Diocese on its cause. With these important deficiencies in its sources of information it is impossible to give any clear or correct account of the condition of the Diocese.

REPORT OF THE COMMITTEE ON UNFINISHED BUSINESS.

---

The Committee would respectfully report, that, upon examination of the Journal of the last Convention, they find the following matters laid over for the consideration of this Convention, *to wit* :

On Page 21. The Amendment to Article 8 of the Constitution, proposed by Mr. London, was referred to the Committee on Constitutions and Canons.

On Page 24. The Committee on Constitution and Canons asked further time for the consideration of the alterations to the Constitution and Canons referred to them at the Convention of 1890, page, 29 of the Journal for that year.

On Page 24. The Special Committee on Alterations in the Prayer Book made their report, which was ordered to be printed in the Journal, and its consideration postponed to this Convention.

Respectfully submitted,

B. B. SAMS,  
Chairman.

## APPENDIX IV.

## E.

REPORT OF COMMITTEE ON CONSTITUTION AND  
CANONS.

The Committee on Constitution and Canons respectfully report :

That they have considered the amendment proposed by Mr. John R. London on pages 21 and 22 of Journal 1891, and recommend the adoption of the amendment proposed to Art. 8 of the Constitution, viz: Strike out the words after Session, to and including "proper," and insert "which application shall lie over, to be ballotted on at the next regular meeting of the Convention."

After the word Convention, insert "both orders concurring," so as to read: "Should the Convention, both orders concurring, make a favorable decision." Before "provided," insert "at its next regular meeting."

Add at end of Art. "as hereinbefore provided, so as to read, "may apply to be admitted as a new Parish or Church as herein provided."

In the matter of the proposed amendment to the Canons, submitted by the Rev. E. N. Jeyner, the Committee ask to be discharged from further consideration of the subject, inasmuch as the whole matter has been referred to the Board of Missions.

In the unanimous judgment of the Committee, under the *proviso* contained in the Art. III of the Constitution as amended, the following named Clergymen are entitled to seats but not to votes, viz: Rev. R. S. Trapier, Rev. W. H. Campbell, Rev. R. W. Memminger, Rev. K. S. Nelson and Rev. G. T. Wilmer.

They recommend that the Constitution be amended by adding the following clause to Article III, § IV:

*Provided*, That each such Parish or Congregation may, at such election, elect four other such substitutes for the first chosen as above, and such substitutes, or any of them, shall be entitled to all the privileges of the Convention in the absence of the regular Deputies or of any of them

## APPENDIX V.

## REPORT OF THE TRUSTEES OF THE UNIVERSITY OF THE SOUTH.

The Trustees of the University of the South, from this Diocese, herewith submit their Annual Report :

The attendance at the meeting of the Board of Trustees was fuller than usual last year, which proves that the interest is increasing on the part of those who are charged with the important care of the University. All of the Trustees from this Diocese, except one, were present.

One of the most hopeful signs in connection with the Board, is the presence of so many of the University's *Alumni*. There are now *Seventeen* Trustees who are Alumni, as follows: One Bishop, six Clergymen and ten Laymen, which constitute almost *one-third* of the membership. We think it eminently wise and desirable for the Alumni to be made Trustees wherever it is possible to do so. Not only do they understand both the aims and needs of the University better than others, but it is also natural and inevitable that they must and will do more to advance her welfare and promote her highest interests.

The present term marks the establishment of two additional departments:

1st. *A School of Medicine* with a Faculty of seven Professors

2d. *A School of Finance and Economy*, with a Faculty of five Professors and Instructors.

Besides these, there are Classical, Literary, Scientific and Theological Departments, making *six* Departments now actively at work in the University.

We believe that the presence of the Rev. Thos. F. Gailor, S. T. D., as Vice-Chancellor, adds vastly to the strength and reputation of Sewanee. Aside from his high talents, he has wonderful influence over the

students; an influence which he always uses for the development of that which is noblest and best within them.

While the University is sadly in need of endowment, yet we feel there is much to inspire courage and hope. If she continues to act on the principle "*Go Forward*," her Divine Leader will surely make a way for her out of her difficulties, even as He did for His Chosen People of old, by the shores of the Red Sea.

STEWART McQUEEN,  
*For the Trustees.*

## ST. STEPHEN'S CHURCH, WILLINGTON.

*With Adjunct Missions—One being Colored*

REV, O. T. PORCHER, RECTOR.

Baptisms—White, 1; colored, 9; total 10. Number of communicants, white 24; Public services, Sundays, 24; week days, 8 Holy Communion, commencing Dec. 1891, 11. Number of families 7; individuals not included—white, 5; colored, 10. Number of souls, 52.

The Mission is in a flourishing condition. A Church Guild—a branch of the Church Society of Daughters of the King, has been formed, and has proved very beneficial. This Guild has already put a stove into the church. The warmth and earnestness displayed by the members of the Mission are most encouraging. Sunday School was opened in 1891 and is in successful operation. The White Mission is on Mrs. Benj. Allston's property, near Pettigrew Station. Services held one afternoon in each month. This Mission owes its existence chiefly to the earnestness and activity of Capt. J. B. Allston, and family, who provide the place for holding service. Efforts are being made to raise funds to build a Chapel at this point.

The Colored Mission is conducted on the farm of Mrs. G. M. Porcher. It is earnestly hoped that a simple place of worship will be built here in the course of the coming Summer.

O. T. PORCHER,

*Priest in Charge of Mission*

## REMARKS.

In addition to the services within reported, I have held services and preached 16 times at the Poor Farm, and the Bishop visited this place on the 26th of October and confirmed four. The two confirmed in the Church of Nativity the day previous, were inmates of the Farm, and are not counted in the number of communicants of the Parish. I also have held 3 informal services at Carlsle, the crossing of the R & D and the Seaboard Air Line rail roads. If we could build a plain church at this point I believe it would grow and strengthen. There is now no church building in the village, and the first built will gather the population. The village is now very small but is destined to grow. I also held an evening service at Greenwood, under the direction of the Convocation. The congregation of the Church of the Nativity has lost heavily by removal and death and those remaining are much crippled by the unprofitable crop of the past year and our prospects for growth are not promising.

## REMARKS.

Notwithstanding the great depression in financial affairs throughout the State, I have much reason to be thankful. At Rock Hill there is a flourishing Sunday School, and thriving and increasing congregation, owing chiefly to the fact that there is efficient Lay help at Winnsboro and Lancaster, there is no one to assist in the absence of those who gave me valuable help, and unless I can procure help of some kind, many children will be lost to the Church in the future in both those places.

## REMARKS.

The Chapel at Darlington was consecrated by the Bishop on Sunday, Jan. 17, 1892. The Ladies Church Society has purchased a handsome Bishop's Chair, a neat Altar, and a Baptismal Font. A beautiful Credence table has been given by a Communicant of the congregation. Mrs. E. C. Baker; who recently died in Darlington, has left the church a legacy of \$500 00. The outlook at this point is unusually encouraging. The Bishop has promised that Mr. Edward McCrady, from Sewanee will take charge of the

work at Darlington, and also at Bennettsville, the County seat of Marlboro County, when he is ordained next fall.

With a resident minister, the church has a bright prospect before it at this point.

## REMARKS.

Since our last report the congregation have fitted up the school building adjoining the church, at a cost of some \$600, for a rectory. The church now owns a very valuable piece of property in the centre of the town. The church has been built and paid for and rectory secured. There is now in sight about \$400 towards debt still standing on rectory, and a good prospect of canceling it entirely in two or more years.

## REMARKS.

The working societies of Trinity are : The Church Aid Society, which assists the Rector in aiding the poor; The Trinity Branch of the Woman's Auxiliary ; the Church Adornment Society; the Sunday School Industrial Society; and the Shand Chapter of the Brotherhood of St. Andrew. The Church Aid has an industrial branch, which provides sewing for poor women, gives them a weekly service, and assists them in other christian ways.

The Adornment Society has charge of the church yard, and has added much the past year to the comfort and adornment of the chancel. The Brotherhood of St Andrew has begun under the best auspices, and is destined to be of great service to the Rector and the parish. The Sunday School Industrial supports a large class of poor children, who meet on Saturday morning, and are taught to sew, and instructed in Christian truth.

## REMARKS.

I am glad to report that the work in this parish goes bravely on and while in the last year have we not have grown financially stronger yet we have numerically. There is a large field here for Mission work, the Good Shepherd being the only church in this section of the city and situated principally among the laboring class. It gives me pleasure to say that the Parochial School started nearly two years ago has, according to expectations, proved a great auxiliary to the parish. Here we develop the Christian character as well as train the mind. Through this School and its daily services many children have been led into the Church and the Sunday School. There is now upon the roll seventy-three pupils.

It is very gratifying to note the good work done by the Brotherhood of St. Andrew. By their two simple rules of prayer and service, and their own Christian example, they have influenced many young men to attend the services of the church.

May God speed the day when a chapter of this Guild will be

established in every parish of our old Diocese. It is an organization through which our laymen might do much church work. Having realized that some mission work should be done in the western portion of the city, I have recently commenced a Mission Sunday School on Arsenal Hill. The prospects are very bright for a great work there and so far I have met with much encouragement. Cottage lectures are given occasionally in the different houses on Sunday evenings and the interest is very marked. Some kind friends have already offered to assist in erecting a nice chapel in this vicinity. We have found that the new system of collection for Diocesan Missions has worked very efficiently. Last year our parish gave by Sunday offerings only thirty five dollars; this year we have given one hundred and five dollars. The people and pastor of the Good Shepherd are most grateful to Almighty God for all the blessings bestowed during the past year.

ANNUAL REPORT TO THE BISHOP OF REV. EDMUND N  
JOYNER, ARCHDEACON FOR WORK AMONG  
COLORED PEOPLE.

---

*Rt. Rev. W. B. W. Howe, D. D., Bishop of South Carolina:*

REV. FATHER IN GOD: Since my work began by your appointment, February 1, I have been able to fill but few appointments in this diocese, owing to the fact that much of my time was spent in carrying out your wish for me to speak of our work in other dioceses.

I am indebted on your behalf, for Episcopal courtesies, to the Rt. Rev. the Bishops of Pennsylvania, New Jersey, Newark, New York, Long Island, Connecticut, Massachusetts, Maine. For a detailed account, I beg to refer you to my report of the visits in pages 3 and 4, CHURCH MESSENGER for May, (Vol. I., No. 1,) 1892.

Let me repeat here, however, my very sincere thanks, not only to the Bishops spoken of, but to many clergymen and laymen, and thoughtful and generous lay women.

It will be impossible for me to embody in this report all the facts and statistics of the archdeaconry, as it has not been in my power to collect them.

We have missionary work under the jurisdiction of your archdeacon in the following:

Charleston—Calvary, St. Andrew's; Columbia—St. Luke's, St. Mary's; Eastover—St. Thomas; Wateree—St. Stephen's; Littleton—St. Philip's; Peake—St. Simon's; Sumter County—St. Augustine's; Waccamaw—All Saints' Chapel; Peedee—St. Cyprian's; Rock Hill—Mission; Yemassee—Mission; St. Denis—Blue House; Wando—Mission; Kaolin—Mission; Edgefield—Mission; Summerville—Epiphany; St. Stephen's—Redeemer; Walterboro—Mission

These twenty-one congregations constitute the archdeaconry at the present time.

The Rev. Mr. Bellinger holds services at Walterboro for a number of members, and there we hope to begin work before the present year closes. We have mission schools at twelve of the points mentioned, and there are several others to be opened in the Fall, if possible. At Redeemer Chapel, St. Stephen's, parish, Berkely County, which we have lately visited, we found a ready and large opening. We should not fail to praise the loyalty of those humble members there who have resisted every temptation to go away from us. They are indebted to Mr. W. Mazyck Porcher for his oversight, and especially to good old brother Job Guess for such zeal and fidelity as to put to blush a host of the milk and water class of intelligent "Church people." We must, if possible, reward these faithful people by sending them a deacon, who may teach their children. You, dear Bishop, to whom I write, know of the travail of these poor people's souls.

The Rev. Edward T. Walker, residing at Wando, speaks very hopefully of the outlook, at St. Denis, Blue House, and Wando, at all of which places there are schools; two of them maintained, in part, by our funds, and all more or less under Church auspices. Mr. Walker says in a report to me: "For the last three years I have been preaching for the colored people at their churches, with usefulness. They are always glad to hear me. When I came here six years ago, they were averse to all white teaching; things have changed. I do not, and would not, pretend to draw them from their churches. It would be a dead failure. But I trust I have aided their pastors to teach Divine Truths, and so do good. I have their confidence, and take pleasure in the establishment of schools. This we quote; in order to commend it as both practical and Christ-like in policy. Such colored people as surround Mr. Walker, no matter where, must have "confidence" in their white brethren, and the best way is to go among them with the simple Gospel first of all, and help to teach their teachers. The Rev. J. H. Tillinghast, in the Eastover district, has a class of colored preachers, whom for years he has been teaching in the practical, everyday truths of Christianity.

To return to Mr. Walker—he says, that in his region, where

there is so great promise, we shall need, at least, \$400 more, to enter upon the work as we should.

The statistics of the different Missions will be embraced in the reports of their respective Missionaries.

My duties as archdeacon began with February.

We have, beginning with that date, received the Rev. Henry Stephen McDuffy, Presbyterian, from the Diocese of North Carolina, who has charge of the seven congregations, comprising the Associate Mission at Columbia.

I am now in correspondence with a deacon and a candidate for Holy Orders, who will probably come to the work as soon as arrangements are made.

There are now within the Diocese, and connected with the archdeaconry, four colored clergymen: the Rev. Mr. McDuffy, Priest, and the Rev. Messrs. J. S. Quarles, Kaolin; E. N. Hollings, Epiphany, Summerville, and George F. Miffler, Calvary, Charleston, Deacons.

In addition, there is the Rev. J. H. M. Pollard, Rector of St. Mark's, Charleston, and Priest over Messrs Hollings and Miller. We have every assurance, both from Mr. Pollard and St. Mark's Church, of their warm co-operation in this great work. Both have exceptional opportunities. It is a pleasure to be able to speak well of all our brethren, named above, as having our entire confidence.

In addition to the colored clergymen spoken of, the following white presbyters are ministering to missions of colored people, within their respective cures: The Rev. L. F. Guerry on the Waccamaw; Rev. Stewart McQueen, on the Pedee; the Rev. E. E. Belenger at Walterboro and Yemassee; the Rev. John Kershaw, and assistant, Rev. J. L. Partzell, Sumter County; the Rev. A. E. Edgefield C. H. and Kaolin; Rev. Geo. L. Sweeney, Rock Hill; Rev. class of Cornish, Edw. T. Walker, Wando, &c.; Rev. J. H. Tillinghast, preachers, Richland County,

During the year we had the misfortune to lose by fire Saul Chapel, Eastover, a most important mission point—none more so in the archdeaconry. It was not only a great loss but a severe personal grief to Mrs. Clarkson, who, with her late husband, toiled many years, with this chapel as a centre and home. We have about half enough money to rebuild it. I am happy to tell you that the sum of \$1,500 has been confided to me by a good woman, who wishes not to be known on earth, as a memorial of her mother, to be used for a building near Columbia, at St. Ann's, Lexington County, for an institution to reclaim and train criminal boys too young for jails and penitentiaries. This school is to be industrial, and may embrace the archdeaconry.

We shall be compelled to ask for an increase of the amount given by the Church Commission, if we hope to hold our ground, to say nothing of cultivating new. The outlook is too good to take any backward steps, and to go forward, we must be bold enough, or rather have the grace and faith to ask for more.

The Church Commission has surely dealt generously with us in the past, and we know that its members are glad to learn that we have good reason to make a new call upon them. But I must repeat here, that I am but more firmly convinced that upon us of this Church, and in the midst of these people, rests the great responsibility of making known unto them by the Church the manifold wisdom of God. In South Carolina it is a great satisfaction to bear witness to the disposition of not a few to help as individuals, and also in a few instances from Church sources. One parish, Holy Comforter, Sumter, has given an offering, the Woman's Auxiliary of Charleston has made a donation and the Woman's Parish Society of St. David's Cheraw, has subscribed a scholarship. In some places men and women are giving their personal service, and we cannot without satisfaction review the list of our white clergy who add this colored work to their already full, burdened hands.

The times are over ripe for us all to increase our labors, our prayers and our alms in this vast field of missions. Through you, Right Rev. and beloved Bishop, who, from your exalted place as head over all things in this diocese in our Lord's stead, have kept these "simple folk" in mind and heart and labored and suffered that they from our mother might not "go away ashamed" through you I venture to speak to all of our brethren in this diocese and beg that they give us of their help. These colored people have served us faithfully in generations past and not more by what they have than what have they not done. We are to account for their soul to the Judge of all; we should give of our personal service, clergy and laity, our time in teaching Sunday Schools and Bible classes, in services and instructing the preachers; we should freely give of our means. It is ours to suffer the evils of neglect here and hereafter, and to us will belong the glory, through Christ, throughout endless ages, if in His Spirit and name we minister to these, the least of His brethren.

#### SUMMARY.

Missions, (besides St. Mark's, Charleston,) 21; schools, 13; clergy, colored 5; white 9-14. Places where we need schools at once: 1. Redeemer Chapel; 2, Yemassee; 3, Walterboro; 4, St. Stephen's; Wateree. Where we should have deacons as teachers, at 1, 3, 4. St. Augustine's League, New York, has most generously given us \$200 for the church at Peake, and \$300 for a deacon there.

Provision has been made for schools at St. Philips, Fairfield county, and St. Cyprians, Peenec. We shall need not less than \$1,000 additional for the coming year, and this we earnestly hope the Commission will be able to give us.

Yours faithfully and ob ditntly,

EDMUND N. JOYNER,

*Archdeacon.*

Columbia, May 1, 1892.

NOTE.—There are no confirmations reported, as the Bishop had not made his visitations. The Wateree Mission consists of St. Thomas (formerly Saul) and St. Stephen's. The communicants of St. Mary's are included with St. Luke's. There is a falling off in numbers, owing to its having been a hard year, causing many removals.

## REMARKS.

Of the amount paid to the Diocesan Board of Missions \$12.20 was contributed by the Ladies (Episcopal) Sewing Society. The services at Allendal are still performed in the Union Church, as the congregation has not yet been able to commence building their church. Though much discouraged the members are still making every effort to secure a building of their own. They have purchased a site, but have not received an amount, which in their judgement would warrant their commencing to build. The amount paid Missionary is contributed towards defraying his travelling expenses.

## REMARKS.

During the year the little mission in Blackville has built a very neat little Church for about four hundred dollars upon a lot given by Mrs. Carroll for that purpose. The building of this Church has been a work of faith and love. But my little assistance has been given and the few members of the Mission have done all that they could. The completion of this Church will make a happy day for the mission in Blackville and will make future growth a possibility.

## REMARKS.

During the year just closed we have had much to discourage us in our work, as well as some things to encourage us. In Grahamville we have met with many losses by removals as well as by death, and from these causes the number of our Communicants has been reduced to 28. The repairs to the church build

ing are being completed and then it will be painted.

In Bluffton we have also met with losses. The church building, which was very much out of repair, has been re-covered, and other necessary work will be done during the ensuing summer, when we hope to completely renovate it.

At St. Peter's Mission a neat and churchly building has been erected for the worship of Almighty God, through the liberality of one member of the congregation, at an expense of about \$1,000.00, perhaps more. The building was consecrated on the 29th of November, 1891, thus giving us, for the first time in the history of this Mission, a local habitation among men; the Rev. E. E. Bellinger, the pioneer in this field, preached the consecration sermon. Since the opening of the church, the congregation has increased steadily, and we are much encouraged with the outlook.

I have been enabled to meet all of my appointments except one, having been taken sick on the road. I was absent three weeks, with the concurrence of the Bishop, during the summer for rest, and officiated in Grace Chapel, twelve miles from Greenville, ten or twelve times during that time.

I regret to state that Mrs. Ewbanks, through whose untiring zeal and devotion this little Chapel was built, has recently been taken to her rest; but not until the Lord had permitted her to see the consummation of her work, in the consecration of the Chapel, and the confirmation therein of her grand-daughter.

I have to renew my thanks to the Rev. W. W. Spear, D. D., for his assistance in procuring a supply of Prayer-books and Hymnals for my work.

## REMARKS.

The past year in the this Parish has been one of unusual activity in many respects, and a general awakening in the different departments of church work, gives very encouraging hope for the future.

St. Paul's Guild has placed an exquisite brass Lectern, and an elegant pulpit Bible in the church, and the congregation has enabled us to replace the unsightly, rough and heavy pinewood

chancel rail by a polished oak rail, with brass standards. The Chancel Committee has furnished the Church with a complete set of altar hangings, beautifully embroidered by one of its members. St. Helena's Guild, organized in Nov. 1891, has contributed \$100 towards building a new Church, and I trust that by God's blessing, this Guild may become a power for good in the Parish.

In July, 1891, at a meeting of the congregation, it was determined to build as soon as possible, a new Church for the Parish, and it was further determined that this Church should be a memorial to the Rev. Philip Gadsden, the first rector of the Parish. This is the most important action of the congregation in many years. An offering was made for this purpose on Easter Sunday 1892, and amounted to \$570.00.

The work of the Mission Chapel of St. Barnabas still continues, and though necessarily slow, from the nature of the work, yet a steady advance is apparent. The work has been much aided, and placed upon a surer and firmer basis by the assistance received from the Diocesan Board of Missions, during the past year. I trust that the aid may be continued. Liberal contributions of money, clothing, etc., have been received from branches of the Woman's Auxiliary in Charleston, Baltimore and other places, and also from individuals. About \$100 is needed to complete and furnish the building.

Again it gives me pleasure to place on record the devoted labors in this work, of Mr W. R. Dehon, and the ladies who aid in this work. Below will be found a statistical report of the work:

Number of souls, 100; children in Sunday School, 50; Services, 40; Burials, 1; Baptisms, 6; Offerings \$41.50; House of Rest, \$5.39 Missions to Indians, \$3.84

## REMARKS.

While the financial exhibit is satisfactory, it fails to show what the Rector regards with deeper interest, namely, the Religious activity of the congregation. There are nine active organizations, embracing 300 willing hearts and hands, which represent the working power of the Church. The widow and orphan, the sick

and the sorrowing, the poor and the friendless, the home and the hospital, a'l feel the blessing of Christian sympathy. Others are busy in caring for the House of God, or in helping the missionary work of the Church in the Diocese, and in the world, While trying to do good to others for Jesus sake, they learn how to translate their faith into real and practical fruitfulness. For these tokens of zeal in all good works, as well as for the peace and harmony which prevails, enabling a'l to co-operate in congregational efforts, the Rector thanks God with a'l his heart. and in every such effort he is heartily sustained by his earnest and efficient assistant.

This report would be incomplete without mention of the mission of Rev. Walpole Warren. For ten days this earnest Missioner held three and four services daily, the church being often filled to overflowing. The aim of the mission was to deepen the spiritual life of Christian people, and to help them to lay hold more firmly on the realities of the Gospel.

His remarkable power to read the conscience and stir the human heart, made his mission quicken many torpid souls. Some results already are apparent, in greater diligence in serving God on the part of many of the hearers. The future influence of his mission, I trust and believe, will be for lasting good to the Church, and to the community.

## REMARKS.

Several handsome improvements have been made in the appointments for public worship, among which are a beautiful embroidered white silk stole and Frontals, a Super-altar, vases in polished brass, and a polished brass altar-cross, given by the congregation as a memorial of the late Christopher I. Whaley.

The work of the Parish has been greatly retarded by the Rector's disability. Through the kindness of several of the clergy, and of lay readers who have lightened the Rector's burden by their ready assistance, the public services have been constantly maintained.

## REMARKS.

At the instance of the Rector, this Parish abandoned the Pew Rent System, and adopted the voluntary subscription plan. It went into operation July 1st 1891. Since then, the finances have been in a better condition than for many years. In other and more important respects, the Parish has been developed about as much as it can be, (so far as human judgement can estimate,) until there is considerable increase in the population of the town

## REMARKS.

The services reported were performed on 33 Sundays and 38 other days. Of these 18 on 18 Sundays were for colored people exclusively. During the conventional year, I officiated at public worship 94 times. I preached 93 times. Once I only read the services. The church has been repaired and a small debt on Sunday School organ has been paid. Considering my labors among the colored people as purely missionary, I doubt the propriety of reporting them as belonging to the Parish, but as the Canon requires conformity to the form sent by the Secretary, I did so. Under our present circumstances, I think the form should be altered and work among the colored people should be separately reported as missionary work. The marriage reported was celebrated in Colleton County and probably should not have been written upon this report. Of the amount reported under the head of "Subscriptions and Donations," \$90.00, the interest on Sheldon Invested Fund, was appropriated by the Diocesan Board of Trustees. The \$40.00 reported under "Rents, etc.," were paid by the Lessee of the Sheldon lands, to whom the lands were leased by virtue of authority granted by the Board of Trustees of the Diocese

## REMARKS.

Circumstances have necessitated my abandoning the mission at Coosaw, and I contemplate resuming the Mission at Hampton C. H. All the facts reported were confined to the whites with the exception of the one Baptism at Ellenton. At Ellenton I had public worship at the Baptist Church, at Brunson and at Varnville in the Methodist Church, and at Coosaw in the Presbyterian Church, all of which were kindly lent us for the purpose. The amounts reported as Minister's salary, were contributed for the purpose of defraying his travelling expenses in meeting his appointments.

## CONDENSED GENERAL REPORT OF REV. E. E. BELLINGER.

Under my pastoral care 279 whites and 24 colored persons, of whom 103 whites and 13 colored persons are under 14 years of age. Of the whites 24 males and 100 females are communicants. Of the colored 3 males and 14 females. During the Conventional year I baptized 8 whites and 3 colored infants and 1 colored adult; 8 whites and 2 colored persons were confirmed. I celebrated 3 marriages among the whites and 1 among the colored people. I buried 7 whites. On the mission I officiated at public worship 93 times

on 42 Sundays, 113 times 96 other days,—211 times. I preached 200 times. The Bishop and other brethren preached 10 times, and once I only read the service. I administered the Communion 50 times in public and 1 in private.—51 times. At St. Jude's Church, Waltherboro, and All Saint's Church, Hampton County, are Sunday Schools, aggregating 3 males and 11 female teachers and 36 male and 37 female scholars. The total amount contributed was \$1,194.12, of which \$835.75 were for Rector's salary, \$107.16 for Diocesan Missions, \$26.79 for Clergy Society, \$23.66 for General Missions, \$28.23 for Russian Relief Fund \$1.90 for American Church Building Fund. For other items the separate reports must be examined. In meeting my appointments I traveled on the mission 2347 miles at an expense of \$58.65. With the consent and approval of my vestries and congregations I spent September last in Alabama with my children. When there I assisted in public worship 5 times on 4 Sundays in Birmingham, preaching 3 times. In Coalbury, I had services preached, and administered Communion once on a week day. I preached the consecration service at the consecration of "The Church of Heavenly Rest," in the upper part of Hampton County, S. C. All of these additional services were with the consent of the respective pastors, including these I performed public worship and assisted in the same 97 times on 51 Sundays, 119 times on 97 other days,—218 times, preaching 205 times. On one Sunday while in Alabama I took no part in the services. Of the services performed in the Parishes and Missions, 28 on 28 Sundays and 6 on 6 other days—34, were for colored people exclusively. To them I preached 33 times, and the Bishop once. The congregation at Allendale have not yet succeeded in collecting a sufficient fund to enable them to build their Church. Though much discouraged, they do not despair, but continue their efforts. The Baptists, Presbyterians and Methodists have all succeeded in erecting neat and comfortable edifices, but the hope and wishes of the few Episcopalians have not been realized.

CHARLESTON, S. C., May, 7, 1892.

RT. REV. W. B. W. HOWE,

*Bishop of the Diocese of South Carolina.*

RT. REV. AND DEAR SIR :

I respectfully report that Lay Services at the Mission at Moultrieville, Sullivan's Island, have been maintained Sunday mornings, with but three omissions throughout the year. The attendance during the winter months, owing to the removal of several families, former winter residents, has been disappointingly small, but during the summer season it was larger than at any other time since the establishment of the Mission. The Holy Communion has been celebrated but once during the year, and then by the Rev. Jno. Gass, Assistant Rector of Grace Church, Charleston, and only on one other occasion have we been able to enjoy the services of a clergyman, the Rev. John Kershaw of Sumter, S. C., officiating one Sunday afternoon.

Early in the year the plans for the proposed church building, submitted by Mr. W. W. Deveau, formerly of Charleston, but now a resident of New York, were accepted, and under the vigorous lead of Mr. A. Markley Lee, Chairman, and Mr. Wm. M. Bird, Secretary, the building committee felt authorized to begin the work during the summer. The contract was awarded to Mr. Robert McCarrel on August 1st. The first stone was laid Aug. 12. On Sept. 12th the corner stone was laid with appropriate and interesting ceremonies, by Rev. Robert Wilson, D. D., Rector of St. Luke's, Charleston, Dean of the Charleston Convocation, assisted by Rev. Messrs. John Gass, John Kershaw, James M. Stoney and Theo. A. Porter, Mr. Kershaw delivering an admirable address, and since that time the work has been prosecuted with such energy that we hope to be able to occupy the building by July 1st proximo. The design is pure Mediæval Gothic, the material used is Rubble Granite, and under Mr. McCarrell's skilled and faithful supervision, the 'Chapel of the Holy Cross,' bids fair to be, in the opinion of competent critics, probably the handsomest structure of its class in the South.

The Offertory has yielded \$79.51, which has been added to the building fund, in which there is now a deficiency of about \$1 800, which, with earnest prayer for God's continued blessing upon our work, we hope to speedily redeem if not entirely extinguish.

Faithfully,

WM. G. MAZYCK,

*Lay Reader.*— — —
